THEM

Quality of Program	Certified top Texas Rising Star quality center with the maximum starts awarded.	High-ranking schools are not always equipped or highly trained to receive young children.
Student Learning	Play-based learning is our priority, which is the developmentally appropriate way to learn for a Pre-K student.	Play-based learning not always required. Emphasis is given to structure and discipline.
Adherence to Curriculum	Frogstreet Curriculum is closely supervised by TRS and implemented as instructed.	Materials are added to the curriculum regardless of appropriateness.
Daily Meals	Nutritious "made from scratch" warm meals are prepared daily.	Most meals are ultra processed products.
School Schedule	Service is available 7:00am-6:00pm.	Extended hours are not always offered to young students.
Communication	Daily report given to each parent: student learning, mood, meal consumption, incidents.	Sporadic communication is common.
Personalized Attention	Daily parent-teacher interaction	Parent-teacher conferences scheduled based on teacher availability.
Student to Teacher Ratio	Student-teacher ratios are always followed and supervised by state authority.	Student-teacher ratios are not closely monitored by state authority.
